## Understanding this document

In addition to the detailed indicator text and selection options, in each module of the PRI Reporting Framework, you can find information that will help you identify which indicators are relevant for your organisation.

### Top bar

Key information about each indicator is highlighted in the top bar, including the indicator status (mandatory or voluntary) and the purpose of the indicator.

xxx 01	Indicator status <b>MANDATORY</b>	Purpose <b>GATEWAY</b>
--------	--------------------------------------	---------------------------

### Indicator status

<b>MANDATORY</b>	Mandatory indicators reflect core practices. These responses will be made public and must be completed to submit the framework.
<b>MANDATORY TO REPORT VOLUNTARY TO DISCLOSE</b>	Some indicators are mandatory to complete, but voluntary to disclose. These indicators may determine which subsequent indicators are applicable or are used for peering, but they may also contain commercially sensitive information.
<b>VOLUNTARY</b>	Voluntary indicators reflect alternative or advanced practices. These indicators are voluntary to report and disclose.

### Purpose

Gateway		The responses to this indicator 'unlock' other indicators within a module if they are relevant for your organisation. Please refer to the logic box for more information.
Descriptive		These are open-ended narrative indicators, allowing you to describe your activities.

### Underneath the indicator

Underneath the indicator, you can find explanatory notes and definitions that contain important information for interpreting and completing the indicators. Read the logic box to make sure an indicator is applicable to you.

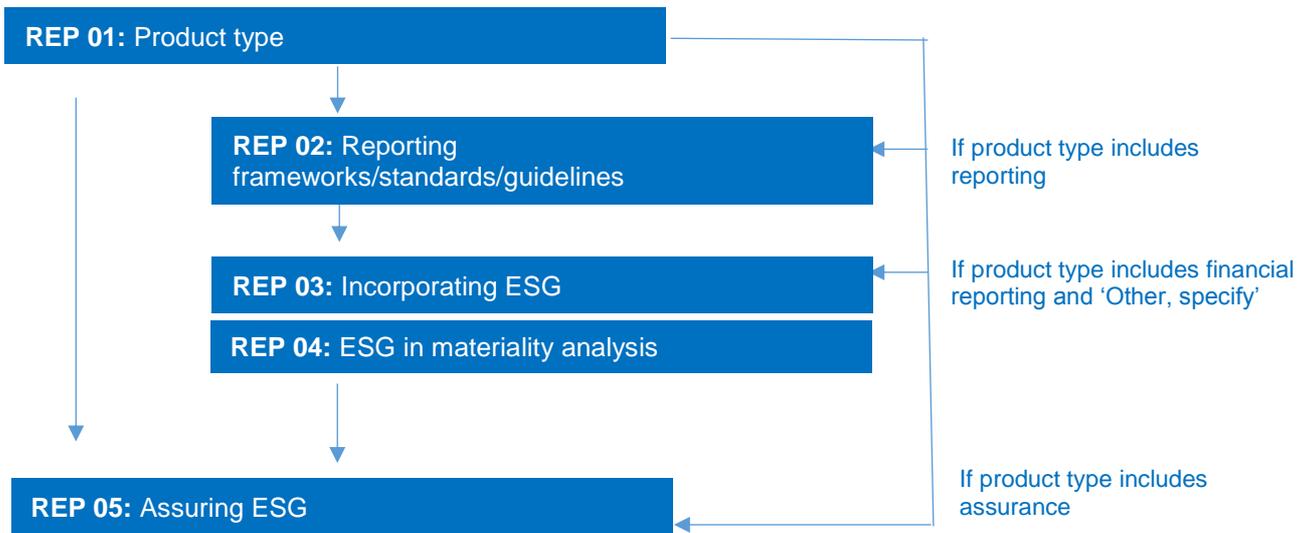

xxx 01	EXPLANATORY NOTES
xxx 01.1	This provides guidance on how to interpret the sub-indicators, including examples of what could be reported.
xxx 01.2	
<b>LOGIC</b>	
xxx 01	This explains when this indicator is applicable and/or if it has an impact on subsequent indicators. If there is no logic box, the indicator is always applicable and does not affect other indicators.

xxx 01	DEFINITIONS
xxx 01	Specific terms that are used in the indicator are defined here.

REP 01	EXPLANATORY NOTES
REP 01.1	This indicator acts as a gateway and will determine what subsequent indicators will be relevant to you depending on your responses here.
REP 01.4	Use this space to provide further information on your product type.

LOGIC	
REP 01.1	REP 02 will be applicable if you report on any of the options provided in the list, except for 'None of the above'. REP 03.1 and REP 04.1 will be applicable if you reported that you do 'Financial reporting' and/or 'Other, specify (1)' and 'Other, specify (2)'.
REP 01.2	REP 01.3 will be applicable if you report 'Yes'. REP 05 will be applicable if you report 'Yes'.

REP 01	DEFINITIONS
<b>Integrated reporting</b>	A concise communication that considers the interconnectivity of a wide range of factors, incorporating both financial and other non-financial information to demonstrate how an organization is creating value in the short-term, mid-term, and long-term.
<b>RI reporting</b>	A report that includes information about the responsible investment activities, processes, and/or outcomes of investors and how they incorporate ESG factors into these aspects.
<b>Sustainability reporting</b>	An organisational or company report demonstrating the organisation's or company's ESG performance in terms of its internal operations and external impact. This can also cover how the organisation is working towards contributing to a sustainable development within the context of its scope and ESG issues deemed material.
<b>Financial reporting</b>	A financial statement that adheres to generally accepted accounting principles, showcasing the financial status of an organisation or company.
<b>Independent third party assurance</b>	Assurance engagements conducted by your organisation, as an independent third party, following an assurance standard and resulting in a public conclusion over the reliability of the information reported.
<b>Third party assurance of the implementation of RI processes</b>	Typically takes two forms: <ul style="list-style-type: none"> <li>• Audit conducted by your organisation, as an independent third party, following an assurance standard which are designed to give management confidence that sufficient controls are in place to ensure responsible investment/ESG policies are followed (no statement is made over data quality, and usually no public statement is made).</li> <li>• Audits conducted by your organisation, as an independent third party, which are designed to give confidence to clients in outsourced services, such as investment management (no statement is made over data quality, and usually no public statement is made).</li> </ul>
<b>Independent assurance of a public RI/ESG report</b>	Evidence of an assurance engagement by your organisation as an external third party, where a public conclusion was made over the reliability of another form of RI reporting (excluding PRI Transparency Reports), typically a CSR, RI, Sustainability or Integrated Report.
<b>External ESG audit of holdings</b>	Investors that seek to understand the ESG characteristics of the companies they are holding and undertake assurance. Typically, the assurance is over the investors own processes for collecting, calculating and/or presenting data.
<b>RI Certification or labelling scheme</b>	Your organisation provides organisation or fund level labels or certifications, such as the Luxembourg Fund Labelling Agency (LuxFLAG), or those provided by sustainability initiatives.

SECTION

## Incorporating ESG

<b>REP 03</b>	Indicator status <b>MANDATORY</b>	Purpose
---------------	--------------------------------------	---------

REP 03	INDICATOR
<b>REP 03.1</b>	<p>Indicate whether you incorporate ESG factors into your reporting products for clients.</p> <p><input type="radio"/> Yes, we systematically do</p> <p><input type="radio"/> Yes, we occasionally do</p> <p><input type="radio"/> No, we do not</p>
<b>REP 03.2</b>	<p>If yes, describe how you typically incorporate E, S, and G factors into the reporting.</p>
<b>REP 03.3</b>	<p>Additional information [OPTIONAL]</p>

REP 03	EXPLANATORY NOTES
<b>REP 03.1</b>	<p>This indicator is applicable if you reported 'Financial reporting' and/or 'Other' in REP 01.1. Please indicate whether you incorporate ESG factors into your 'Financial reporting' products, or 'Other, specify' products.</p>
<b>REP 03.2</b>	<p>Reporting practices continue to develop, particularly as companies move towards integrated reporting practices and systems. It might not be appropriate to include ESG factors into a financial reporting product. You can describe here how your organisation is responding.</p>
<b>LOGIC</b>	
<b>REP 03</b>	<p>REP 03.1 is applicable if you reported that you do 'Financial reporting' and/or 'Other' in REP 01.1. REP 03.2 will be applicable if you report 'Yes, we systematically do' or 'Yes, we occasionally do'.</p>

## ESG in materiality analysis

REP 04	Indicator status <b>MANDATORY</b>	Purpose <b>DESCRIPTIVE</b>
--------	--------------------------------------	-------------------------------

REP 04	INDICATOR
<b>REP 04.1</b>	<p>Indicate whether ESG is part of the materiality analysis you perform when preparing clients' reports.</p> <p><input type="radio"/> Yes, ESG is systematically part of the materiality analysis</p> <p><input type="radio"/> Yes, ESG is occasionally part of the materiality analysis</p> <p><input type="radio"/> No, ESG is not part of the materiality analysis</p>
<b>REP 04.2</b>	<p>If no, explain why not.</p>
<b>REP 04.3</b>	<p>Describe the process you undertake for materiality analysis.</p> <p>[OPTIONAL]</p>

REP 04	EXPLANATORY NOTES
<b>REP 04.3</b>	<p>Include whether the process is typically led by you or the client.</p> <p>This could include a description of the key stakeholder groups (investors, customers, employees, civil society, etc.) you incorporate into your materiality analysis and the weight that is typically given to each stakeholder group.</p>
<b>LOGIC</b>	
<b>REP 04.1</b>	<p>REP 04.2 will be applicable if you report 'No, ESG is not part of the materiality analysis'.</p> <p>REP 04.3 will be applicable if you report any of the 'Yes' options.</p>

REP 04	DEFINITIONS
<b>Materiality analysis</b>	<p>Materiality analysis typically involves engaging with stakeholders to determine which factors are most relevant and significant for an organisation that they meet the threshold for reporting. The significance of each aspect of analysis should also inform the prominence and detail it is given in reporting. The first stage would include defining stakeholders and the context of a client's mission.</p>
