PRI Strategic Plan 2021-24

The strategic plan sets out how we intend to take the next step in delivering our *Blueprint for responsible investment*. We encourage feedback from signatories on the plan, including via an online survey. The survey covers both questions on the strategic plan *and* strengthened minimum requirements. (See survey questions in full below.)

The survey will take from 15 minutes to complete, with tick box options and voluntary free text for every question. (Please respond to the free text in English.)

We encourage one response per signatory organisation. Please complete the survey online before 17:00 GMT, 25 November 2020. If you have any questions about the survey process please contact governance@unpri.org.

As this is a formal consultation at the end of the survey period the PRI will provide: a response from the PRI Board; a summary of results of the online survey; and the full responses by all responding signatories as an appendix.

Please complete the online survey [here](#).
