

# STRENGTHENING OUR VALUE PROPOSITION

A number of major initiatives over the past 12 months have contributed to an overall assessment of our value proposition.

1

## Listening to signatories

PRi in a Changing World consultation

- **39** workshops, across **30** cities and online
- signatory survey

2

## Drawing on employees' insights

Employee engagement survey

3

## Identifying distinctive capabilities

Translate thought leadership into insights and practical support tailored to what signatories need to progress their responsible practice

Convene our vast network to create opportunities for collaborative action

Harness our global scale to influence policy makers and regulators to effect system change

4

## Designing a new organisational structure

Responsible Investment Solutions

Investor Initiatives and Collaboration

Sustainable Systems

Responsible Investment Ecosystems

Operations

People and Culture

5

## Delivering benefits to signatories

- Strengthened approach to system change
- Functions and systems that enhance signatory experience
- Enhanced focus on enabling collaboration
- Increased leadership and engagement at regional level
- More practical and tailored products
- Organisation with the right size, shape and talent to deliver value and the Mission
