Influencing the finance sector to:

We leverage our investment in the finance sector to:

- Align their lending investing with the goals of the Paris Agreement
- Stop financing fossil fuel projects that are not aligned with the Paris Agreement
- Direct more funding to positive, clean and sustainable energy solutions

Change of this magnitude requires coordination and persistence. We use all our stewardship tools to influence banks and insurers, including:

- Co-filing shareholder resolutions
- Pressure through the media
- Collaborating with civil society
- Funding research
- AGM activism
- Divestment
